

Technology Days'23

Ultrasonics at your fingertips

Personal **Invitation**

14. + 15. June 2023

TELSONIC GmbH | Dieter-Streng-Straße 7 | 90766 Fürth, Germany

1

Andreas Clesle
Head of Project Engineering
Ultrasonic Basics for Plastics

2

Markus Scheuber
Global Head of Business Unit Plastic Welding
Innovative Ultrasonic Solutions to meet Sustainability Goals

3

Jochen Bacher
President TELSONIC Ultrasonics Inc.
Market trends: Vibration Welding with infrared Pre-Heat

4

Shimaalsadat Mostafavi
Head of Lab and Application Architect
Contact part design: ways to improve your metal welding applications

5

Christian Huber
Market Manager Metal Welding
Ultrasonic solutions support trends in e-mobility

6

Mustafa Ayabakan
Head of Software and IT Development
Digitalization ready to use with equipment management

Ultrasonic and vibration welding technology

Hands-on trends, seminars, and technology

Meet our ultrasonics experts and experience the latest developments up close during live demonstrations.

Agenda

08.30 a.m.	Registration, Coffee
09.00 a.m.	Welcome
09.15 a.m.	Seminar 1*2 and 5*1
09.30 a.m. – 12.00 p.m.	Live-demos at the Showcases
10.15 a.m.	Seminar 2*1 and 4*2
11.15 a.m.	Seminar 3*2 and 6*1
12.00 p.m.	Lunch
01.15 p.m.	Seminar 1*1 and 5*2
01.45 – 05.00 p.m.	Live-demos at the Showcases
02.15 p.m.	Seminar 2*2 and 4*1
03.15 p.m.	Seminar 3*1 and 6*2
05.00 p.m.	Grill, «Get together» (14 th June only)

*1 = German, *2 = English

Technology Showcases topics

In addition to the extremely interesting technical presentations, you will have the opportunity to experience ultrasonic technology live.

Battery manufacturing

High-voltage applications

Lightweight construction

3D print, powder recycling

Packaging

Vibration welding
